PROFESSIONAL SUMMARY

A dedicated and academically accomplished Computer Science and Engineering student with a strong foundation in technical skills and problem-solving abilities.

I completed matriculation with 76% and intermediate with 82.4%, reflecting consistent academic excellence. Pursuing my passion, I joined a polytechnic college in my desired branch and achieved distinction-
s across the 1st to 4th semesters. I ranked 3rd in the 1st semester, 2nd in the 3rd semester, demonstrating my commitment to excellence and consistent performance. Outside academics, I actively pursue hobbies in photography, cooking, and travelling, showcasing creativity, versatility, and an appreciation for diverse experiences.
